

Event Overview

Join us for our annual **Seize Hope** event at the American Sign Museum, a one-of-a-kind museum, as we take a walk down Memory Lane and experience the history of America through a century of signage. During this exciting evening on Friday, November 6, 2015, guests will enjoy great company, hors d'oeuvres, and wine & beer tastings all for a great cause. You will have the chance to bid on a vast array of silent auction items and celebrate with us as we toast to hope for those living with epilepsy every day.

\$85 per person; \$150 per couple

American Sign Museum
1330 Monmouth Street
Cincinnati, OH 45225-1344

Event Exposure

This is an event that is sure to draw a large and varied audience. Involvement as a sponsor of Seize Hope is an exceptional means of reaching a targeted consumer-based audience with buying power. Your choice to support an EFGCC event not only brings you exposure in the community, it also creates a positive public image and general appearance of good will. Sponsorship of this event communicates that your company is aware of serious disorders such as Epilepsy, and committed to helping improve the lives of those effected by seizures. How much is this type of association worth? According to studies, two-thirds of Americans report having greater trust in those companies aligned with a social issue.¹

Epilepsy

Epilepsy is a neurological condition caused by sudden brief changes in the brain's electrical balance. When there are excess electrical discharges in the brain, seizures occur. It is not a disease, but a symptom of an underlying neurological disorder. This disturbance affects the brain's normal functions and produces changes in a person's movement, behavior or consciousness. Epilepsy is not a disease, mental illness or a sign of low intelligence. It is not contagious. Epilepsy is generally a chronic and/or lifelong condition.

There are at least 30 types of seizures. An Institute on Medicine report released the fact that *1 in 26 people will develop epilepsy at some point in their life.*

Auction Suggestions

If you are able to donate an item for the evening's raffle or auction, we would be very appreciative and you will receive a donation letter for the item's value for your tax purposes. There are a lot of things that make great auction items!

Any of the following is the perfect place to start if you need an idea:

- Event tickets: sports, music, theater, art exhibits, etc.
- Services: salon, cleaning, lawn work, decorating, private chef or catering, etc.
- Hotel and spa packages
- Autographed memorabilia
- All things wine and ale-related!

Our Organization

The Epilepsy Foundation of Greater Cincinnati and Columbus is a private, non-profit social service organization providing services to people living with Epilepsy/Seizure Disorder, their families and caregivers as well as providing public education. Our mission is to enhance the quality of life for those affected by Epilepsy and to increase the understanding of epilepsy in our service territory. The Foundation serves 24 counties (12 located in Central Ohio) in Ohio, 4 counties in northern Kentucky and 2 counties in Indiana.

The Epilepsy Foundation of Greater Cincinnati and Columbus leads the fight to stop seizures find a cure and overcome the challenges created by seizures. All funds raised will support the many vital programs offered by EFGCC.
