

Did you know . . .

-  Epilepsy is a chronic neurological condition characterized by recurrent seizures.
-  There are 2.3 million Americans living with epilepsy.
-  About 1 in 26 people will be diagnosed with epilepsy at some point in their lives.
-  Epilepsy affects more people than Parkinson's, Multiple Sclerosis and Cerebral Palsy combined.
-  Your participation in this event will help us raise awareness, provide valuable programs and services and find a cure to this devastating condition

The Epilepsy Foundation is leading the fight to make a difference!

Please join our fight to stop seizures, find a cure and overcome the challenges created by seizures. With your help, we can continue to responsibly serve persons with epilepsy and make a positive difference in their lives!

Thanks to our gracious sponsors!
