Did you know . . .

- Epilepsy is a chronic neurological condition characterized by recurrent seizures.
- There are 2.3 million Americans living with epilepsy.
- About 1 in 26 people will be diagnosed with epilepsy at some point in their lives.
- Epilepsy affects more people than Parkinson's, Multiple Sclerosis and Cerebral Palsy combined.
- Your participation in this race will help us raise awareness, provide valuable programs and services and find a cure to this devastating condition.

The Epilepsy Foundation is leading the fight to make a difference!
Thank you for helping us!
