Take a Glimpse into the World of Jane

Experience living with Epilepsy. Hear Jane's words, see what she sees, feel what she feels.

UCB is proud to bring the attendees of the 2021 Living with Epilepsy Conference a virtual reality experience in partnership with Jane Gauntlett, founder of Sublime & Ridiculous, a company focused on bringing together performance and technology to build empathy. Jane is also an adult with epilepsy, which allows her to combine her art and her firsthand experiences, and in turn, to share her journey. This twenty minute program will take part throughout the day of the conference and participants can sign up separately to take part.

All pre-registered participants will be sent a link to register or you can sign up the morning of the conference, if space permits.

Location Information

The Ohio State University | Fawcett Center
2400 Olentangy River Road
Columbus Ohio 43210

Lot parking is available and is free.

Our Mission

Epilepsy Alliance Ohio is dedicated to supporting those impacted by epilepsy in local communities by confronting the spectrum of challenges created by seizures.
