Vineyard Golf Course, Cincinnati, Ohio

The Taylor Huth Memorial Golf Tournament is an annual event that benefits Epilepsy Alliance Ohio and remembers the fun-loving spirit of Taylor Huth, who began having seizures in high school and died at an early age. In spite of being challenged with epilepsy, Taylor was a good-natured young man who would do anything for anyone and was committed to life.

Join Taylor's family and friends in helping those who have epilepsy continue to live each moment to the fullest and celebrate Taylor's joy for life, friends and golf! A portion of the proceeds from this event benefit the Taylor Huth College Scholarship Program for young adults with epilepsy.

Gather your foursome and join us June 14th at the Vineyard which promises to challenge your golf skills while supporting a worthy cause.

Registration is full but if your team would like to be on the waiting list OR for sponsorship information contact us at 513-721-2905.

Managing Life with Epilepsy: An 8-Week Virtual Course

Are you an adult living with epilepsy or do you know someone who is? Would you like to learn some strategies to help improve your quality of life? Epilepsy Alliance Ohio is holding a virtual 8-week, one hour per week, class for adults with epilepsy focused on practical strategies for managing both physical and emotional well-being.

Each week, the group leaders highlight different topics in wellness for epilepsy. Participants have an opportunity to share their experiences living with epilepsy and learn from each other. Groups will be limited to 10 participants. Participation is free of charge.

To enroll and/or be added to the waiting list, please go [here](#) or contact Patty Trotta at 513-721-2905 or patty.trotta@epilepsy-ohio.org.

Welcome Aboard, Emma!!

We are so excited to introduce Emma Kamphaus as the newest member of our team! Emma is the Program Manager of our Columbus, Ohio office.

Here is a little bit about Emma: "I have a little family consisting of myself, my husband, our two dogs, 4 chickens (Petunia pictured), and a rabbit. I grew up on a farm, so I did a lot of 4-H and FFA activities. I've played soccer since I was 5 years old and still enjoy playing on my rec league teams several nights a week. I love working out and health & wellness and am always wanting to spend as much time outdoors as possible. In my free time, I love reading, drawing, and crocheting."

We are so excited for Emma to be a part of the epilepsy community! Welcome Emma!
